Assignment 1
Manuel — UM-JI (Spring 2019)

Ex. 1 — *LATEX*
Do all the exercises from Chapter 8.

Ex. 2 — *Personal research*

1. Identify a journal where you plan to submit articles.
2. From this journal, download two articles that are relevant to your research area. Write a 100 ($\pm$10%) words summary for each of them.
3. Read the publisher's guidelines for submitting a paper and **apply them** when writing the two summaries. Submissions not following the publisher's guidelines will be rejected.

Note: this exercise is to be submitted in a separate file.
